**UKRAINIAN TRUST REACHES PREWAR OUTPUT LEVEL** -- Pravda Ukrainy, No 79, 5 Apr 49

Yanov, director of the "Frunzeugol'" Trust has announced that the miners have reached the prewar output level and that thousands of tons of coal above the quarterly plan have been mined. The "Pervomayskugol'" Trust fulfilled the quarterly plan of coal output on 28 March.

**URAL MINERS COMPLETE 4-MONTH PLAN** -- Vechernyaya Moskva, No 92, 19 Apr 49

Miners of the Chelyabinsk coal basin have delivered dozens of trainloads of coal above plan in honor of the Tenth Congress of Trade Unions. Three mines have completed the 4-month program ahead of schedule.

**COMPETITION SPURS KUZBASS MINERS** -- Pravda, No 93, 3 Apr 49

Kuzbass miners achieved considerable success in their socialist competition with Dombass miners by exceeding the 1949 first-quarter plan for cutting fuel and coking coal. Miners of the "Molotovugol'", "Kaganovichugol'", "Stalinugol'", and Kuzbassugol'" Trusts attained first place in the contest and considerably exceeded the plan for cutting coking coal. The "Leninugol'", "Anzherougol'", and "Kemerougol'" Trusts also exceeded the first-quarter plan.

The mines of the basin are attempting to step up production further in honor of 1 May.

Pravda, No 95, 5 Apr 49

A competitive agreement has been signed between the miners of the "Stalinugol'" and the "Kuzbassugol'" Combines. The miners of the "Stalinugol'" Combine have pledged to achieve, in the course of the present year, the level of coal production planned for 1950, to mine 200,000 tons of coal more than called for in the 1949 plan, to raise labor productivity 14.5 percent, and to save 6 million rubles more than planned. The miners of the "Kuzbassugol'" Combine, in turn, have pledged to reach, in the course of this year, the level of production planned for 1950, to mine 210,000 tons of coal above the 1949 plan, to raise labor productivity 12 percent, and to save 6 million rubles more than planned.

Trud, No 91, 19 Apr 49

Miners of "Kaganak" and "Krasnyy Uglekop" Mines of the "Stalinugol'" Trust in the Kuzbass have increased coal mining to the level set for 1950. The 4-month program for coal mining has been completed by the "Mazurovskaya" Mine of the "Kemerougol'" Trust, "Zhurinka-4" of the "Leninugol'" Trust, and No 17 of the "Anzherougol'" Trust.

The 4-month program was fulfilled ahead of schedule by Mines 44/45 of the "Stalinugol'" Trust of the Karagandaugol' Combine.

"Zapadnaya-Kapital'naya" Mine was the first in the Rostovugol' Combine to be mechanized. New VPM-1 cutting and loading machines are now in operation at 16 cuts. During the first quarter, mining was 60 percent mechanized.

**CHITA MINES PLAN GREATER OUTPUT** -- Zabaykalskiy Rabochiy, No 60, 27 Mar 49

During 1948 and the first part of 1949 the Bukachacha Mine Administration, Chita Oblast, received 57 ST-11 conveyers, 9 S-153 coal-loading machines, 5 UMP-1 rock loaders, a VTU universal cutting machine, and a mine combine.

50X1-HUM

The productivity of the best KMP-1 cutter operator in 1949 is 9,000 tons per month; in 1945, the productivity of a cutter was no more than 3,130 tons per month. The new coal-loading machine has decreased the cost of sinking one running meter of drift by 16 rubles, and the top speed of a brigade is 150 running meters per month.

Zabaykal'skiy Rabochiy, No 52, 16 Mar 49

The "Malyutka" Mine, Chita Oblast, has pledged to complete the 4-month plan for mine-preparatory work by 1 April and the 4-month plan for coal mining by 15 April. The mine completed the mining plan for the first 10 days of March 105 percent.

The Mine imeni Lenin has pledged to mine 70 tons of coal per day above plan in honor of the Trade Union Congress on 19 April.

Zabaykal'skiy Rabochiy, No 58, 25 Mar 49

The "Malyutka" Mine, Chita Oblast, fulfilled the first-quarter coal-mining plan on 22 March. Section No 3 of the mine took the lead in the competition.

Zabaykal'skiy Rabochiy, No 54, 19 Mar 49

The Kadala Mine, Chita Oblast, completed the first-quarter coal-mining plan on 16 March. The mine has pledged to complete the 4-month plan by 10 April and the 5-month plan by 1 May.

EASTERN COMBINES FULFILL QUARTER PLAN -- Krasnaya Zvezda, No 76, 1 Apr 49

The "Vostsibugol'" Combine completed the first-quarter coal-mining plan ahead of schedule. Average daily coal output increased almost 18 percent over the same period of 1948.

The "Primorskugol'" Combine also fulfilled the coal-mining plan for the first quarter ahead of schedule.
